

Ambassador Program

The Westfield Development Corporation (WDC) Ambassador Program

offers you a direct communication channel to residents and business owners of Westfield. Ambassadors are available to send you information and talk to you over the telephone or by email. If you are in the area, they can meet you for a cup of coffee on Main Street. They can also connect you to local experts and officials based on your needs and interests. The Ambassador Program offers an information portfolio of Westfield and the surrounding area, free of charge.

Westfield is a great place to live and do business

Westfield offers outstanding small business opportunity

Westfield is the perfect place to call home

Imagine the 19th century charm of a flourishing small town combined with 21st century modern technologies and conveniences.

Westfield is a safe, secure community with many parks, playgrounds, and other public green spaces - an ideal place to raise children. All with a low cost of living and an excellent school system.

You will discover friendly people living on tree-lined streets, a thriving town center business community, and a large number of employers. We also have a growing remote workforce.

With a solid strategy focused on tourism, remote technology workforce, and high-value niche businesses, Westfield offers a rich investment environment.

Westfield town center and Barcelona Harbor is prime investment ground for:

- Artisan Food Production
- Upscale Dining
- Antiques
- Specialty Goods Shops
- Clothing Boutiques
- Sporting Goods

There are other areas for investment opportunity including our countryside rich with vineyards, family farms, wineries, and spectacular views.

Westfield is located along Lake Erie and offers many recreational opportunities. No other community its size offers so much for so many.

- Hunting and Fishing
- Hiking Trails and Parks
- Snowmobiling
- Bird Watching
- Boating
- Skiing
- Golf
