When you're traveling in and around western New York State, you won't want to miss The Cross Roads. Its unique shopping experience features Chautauqua's finest arts, crafts, collectibles, farm produce and incredibly edible delights.

Every Saturday is an event at The Cross Roads with more than 40 shops to choose from, monthly activities, entertainment for children and adults, and great food!

Let The Cross Roads take you back to the days of the village square where people from miles around gathered to shop, socialize, and see artisans at work.

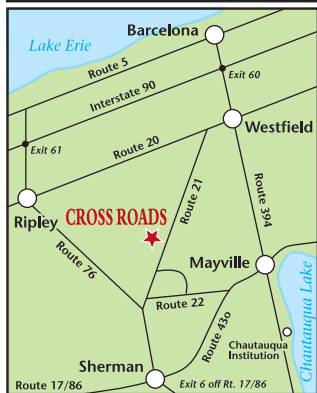

Visit The Cross Roads, our vendors and our special events calendar on-line or call us with questions or special requests for your visit.

*We look forward to seeing you at The Cross Roads.*
